

accordance with the provisions of Customs regulations relating to tariff-rate quotas.

**§ 6.30 Record maintenance and inspection.**

A licensee shall retain all records relating to its purchases, sales and transactions governed by this subpart, including all records necessary to establish the licensee's eligibility, for five years subsequent to the end of the quota year in which such purchases, sales or transactions occurred. During that period, the licensee shall, upon reasonable notice and during ordinary hours of business, grant officials of the U.S. Department of Agriculture full and complete access to the licensee's premises to inspect, audit or copy such records.

**§ 6.31 Debarment and suspension.**

7 CFR part 3017—Governmentwide Debarment and Suspension (Non-procurement) and Government Requirements for Drug-Free Workplace (Grants), Subparts A through E, applies to this subpart.

**§ 6.32 Globalization of licenses.**

If the Licensing Authority determines that entries of an article from a country are likely to fall short of that country's allocated amount as indicated in Appendices 1, 2, and 3, the Licensing Authority may permit, with the approval of the Office of the United States Trade Representative, the applicable licensees to enter the remaining balance or a portion thereof from any country during that quota year. Requests for consideration of such adjustments must be submitted to the Licensing Authority no later than September 1. The Licensing Authority will obtain prior consent for such an adjustment of licenses from the government of the exporting country for quantities in accordance with the Uruguay Round commitment of the United States.

**§ 6.33 License fee.**

(a) A fee will be assessed each quota year for each license to defray the Department's costs of administering the licensing system. To the extent practicable, the fee will be announced by the Licensing Authority in a notice

published in the FEDERAL REGISTER no later than August 31 of the year preceding the quota year for which the fee is assessed.

(b) The license fee for each license issued is due and payable in full by mail, postmarked no later than May 1 of the year for which the license is issued, in accordance with § 6.35(b). The fee for any license issued after May 1 of any quota year is due and payable in full by mail, postmarked no later than 30 days from the date of issuance of the license, in accordance with § 6.35(b). Fee payments shall be made by certified check or money order payable to the Treasurer of the United States.

(c) If the license fee is not paid by the final payment date, a hold will be placed on the use of the license and no articles will be permitted entry under that license. The Licensing Authority shall send a warning letter by certified mail, return receipt requested, advising the licensee that if payment is not mailed in accordance with § 6.35(b) or received within 21 days from the date of the letter, that the license will be revoked. Where the license at issue is a historical license, this will result, pursuant to § 6.23(b), in the person's loss of historical eligibility for such license.

(d) Licensees may elect not to accept certain licenses issued to them; however, the Licensing Authority must be so notified by mail, postmarked no later than the May 1, in accordance with § 6.35(b).

**§ 6.34 Adjustment of Appendices.**

(a) Whenever a historical license (Appendix 1) is not issued to an applicant pursuant to the provisions of § 6.23, is permanently surrendered or is revoked by the Licensing Authority, the amount of such license will be transferred to Appendix 2.

(b) The cumulative annual transfers to Appendix 2 made in accordance with paragraph (a) will be published in the FEDERAL REGISTER. If a transfer results in the addition of a new article, or an article from a country not previously listed in Appendix 2, the Licensing Authority shall afford all eligible applicants for that quota year the opportunity to apply for a license for such article.
